

Ráth István publikációinak jegyzéke

1. István Ráth, Gergely Varró, and Dániel Varró. Change-driven model transformations. In *Proc. of MODELS'09, CM/IEEE 12th International Conference On Model Driven Engineering Languages And Systems*, 2009. Accepted
2. Balázs Polgár, István Ráth, Zoltán Szatmári, and István Majzik. Model-based Integration, Execution and Certification of Development Tool-chains. In *2nd ECMDA Workshop on Model-Driven Tool and Process Integration*, 2009. Accepted
3. István Ráth, András Ökrös, and Dániel Varró. Synchronization of abstract and concrete syntax in domain-specific modeling languages. *Journal of Software and Systems Modeling*, 2009. Accepted
4. István Ráth. Modelltranszformációk integrált alkalmazása domain-specifikus nyelvekben. In *Tavaszi Szél Konferenciakiadvány*, 2009
5. Gábor Bergmann, Ákos Horváth, István Ráth, and Dániel Varró. Efficient model transformations by combining pattern matching strategies. In *Proc. of ICMT'09, 2nd Intl. Conference on Model Transformation*. Springer, 2009. Accepted
6. István Ráth. Enhancing design-time model execution in domain-specific languages by incremental pattern matching. In *Proceedings of the 16th PhD Minisymposium*, pages 16–20. Budapest University of Technology and Economics, Department of Measurement and Information Systems, 2009
7. Gábor Bergmann, István Ráth, and Dániel Varró. Parallelization of graph transformation based on incremental pattern matching. *Electronic Communications of the EASST, Proceedings of the Eighth International Workshop on Graph Transformation and Visual Modeling Techniques*, 18, 2009. Accepted
8. István Ráth. Design-time simulation of domain-specific modeling languages by interactive model transformation. In *Proceedings of the 15th PhD Minisymposium*, pages 58–62. Budapest University of Technology and Economics, Department of Measurement and Information Systems, 2008
9. István Ráth, Dávid Vágó, and Dániel Varró. Design-time Simulation of Domain-specific Models By Incremental Pattern Matching. In *2008 IEEE Symposium on Visual Languages and Human-Centric Computing (VL/HCC)*, 2008
10. István Ráth, Gábor Bergmann, András Ökrös, and Dániel Varró. Live model transformations driven by incremental pattern matching. In *Theory and Practice of Model Transformations*, volume 5063/2008 of *Lecture Notes in Computer Science*, pages 107–121. Springer Berlin / Heidelberg, 2008
11. Gábor Bergmann, Ákos Horváth, István Ráth, and Dániel Varró. A Benchmark Evaluation of Incremental Pattern Matching in Graph Transformation. In *ICGT2008, The 4th International Conference on Graph Transformation*, 2008
12. Gábor Bergmann, András Ökrös, István Ráth, Dániel Varró, and Gergely Varró. Incremental pattern matching in the VIATRA transformation system. In *GRaMoT'08, 3rd International Workshop on Graph and Model Transformation*. 30th International Conference on Software Engineering, 2008
13. István Ráth. Challenges for advanced domain-specific modeling frameworks. In *Proceedings of the 14th PhD Minisymposium*, pages 118–120. Budapest University of Technology and Economics, Department of Measurement and Information Systems, 2007
14. István Ráth and Dániel Varró. Challenges for advanced domain-specific modeling frameworks. In *International Workshop on Domain Specific Program Development (DSPD 2006)*, Nantes, France, July 2006
15. István Ráth. Declarative mapping between abstract and concrete syntax of domain-specific visual languages. In *The Proceedings of the Fifth Conference of PhD Students in Computer Science*, 2006
